Gilwell Gazette

The Gilwell Gazette will be part of your learning experience during Wood Badge.

Hot off the press every morning for the duration of the course, the Gilwell Gazette is your source of C7-129-15 news and insight. The daily course schedule will be found here as well as stories and pictures (interesting and otherwise) about the people and places of Wood Badge.

Patrol scribes will provide articles for the Gazette and the course scribes will make sure that a lot of course related material finds its way on to these pages.

The Gilwell Gazette is also part of the tradition of Wood Badge as it has been used throughout the years at Gilwell Park. Wood Badge philosophy maintains that teams develop most effectively when they have full access to resources. As the course progresses, you will find that one of the best resources at your team’s disposal is the Gilwell Gazette.

Patrol Projects

Each Patrol is challenged to produce a project/presentation on Day Five using tools such as the Project Overview and Work Breakdown Schedule.

Wood Badge Ticket

The goals on the Wood Badge Ticket put in practice and demonstrate a working knowledge of leadership skills presented during the Wood Badge Course.

Wood Badge Critters

Every Patrol needs a mascot, and the Wood Badge Critters represent each of the eight Wood Badge Patrols:

You'll find that there is pride in patrol critters,

WHEN DOES WOOD BADGE START?

On Saturday, August 22, check in begins promptly at 7:30am. Please do not arrive much earlier than scheduled, but you must be checked in and ready to begin by 8am. Program activities continue non-stop until Monday at 5:00

pm. There are no opportunities to leave the camp during the program, so **Be Prepared.**

You should be Full Field (Class A) uniform when you arrive in camp. You will be in your full field uniform (Class A) during much of the course, so you should bring more than one uniform if you have them. It is okay to wear your uniforms from multiple Scouting positions and programs.

On Sunday morning of each course weekend, all Participants and Staff members will be invited to participate in an Inter-faith Service. During the service a collection will be taken for the World Friendship Fund, should you wish to contribute.

QUESTIONS ABOUT WOOD BADGE?

TWENTY QUESTIONS

Please complete the pre-course assignment of “Twenty Questions” and bring it with you for your personal use at the course. No one will see it but you. Completing this will be of immense help in writing your ticket. These questions are designed to help you formulate your thoughts as you begin to write your ticket. They will help you sort out what is important to you, what roles you play in Scouting and your life, and where you see yourself in the future.

Remember that your ticket is a very personal commitment that you write for yourself—a set of goals that you will pursue with the Scouting group that you work with. Begin thinking about where you see that group in the future, how the group can make a greater impact in the lives of youth, and how you can make that same impact.

TRADING POST

We will have a Wood Badge Trading Post on course to allow you to purchase your favorite Wood Badge paraphernalia.

Sample jackets and shirts will be available in the Trading post to try-on for size, and orders will be delivered to you at the 2nd course weekend.

Course Photo Packages will also be available for purchase.

WHAT FOOD IS BEING SERVED?

If you have food allergies or special diet concerns, please speak with Steve Chodash, ASM for Support Staff several days prior to the course beginning so we can address your special needs.

DO I HAVE TO CARRY MY CAMPING GEAR?

No. This is a Leadership Training Course, not a back packing trip. Please neatly pack your camping gear into one bag or container and label your name on your gear. At check-in, your gear will be collect-ed by the Staff and hauled to the campsite for you. Remember to keep your personal daily items with you at all times. These include: water bottle, medication, snacks, note pad, etc. Bring a daypack to carry your personal daily items with you. There is not time to “go back to the tent to get something I forgot...”

BSA MEDICAL FORMS

Part A—B—C **MUST** be completed and submitted in advance (preferably) or no later than during check-in on the morning of August 22nd.
