## What is Wood Badge?

Reflecting the best of nearly a century of Scouting experience, Wood Badge draws on the most current leadership models used by corporate America, academic circles and successful organizations throughout the country.

Wood Badge training began in 1919 by Baden Powell as a way to insure that the leaders of Scout troops were properly trained. Since then, Wood Badge has been held worldwide, providing advanced leadership training to thousands of Scout leaders.

Wood Badge builds upon the best traditions and experiences of Scouts BSA and also draws from a wide range of courses within and beyond the bounds of Scouting to present the latest in leadership theory and team development.

## Who should attend Wood Badge?

Wood Badge is designed to meet the advanced leadership needs of all Scouters, particularly unit level Scouters such as Cub leaders, Scoutmasters, Assistant Scoutmasters, Venturing and Crew Advisors, Committee Chairs and Committee Members. Additionally, Scouters serving at the district and council levels can achieve greater effectiveness through Wood Badge.

## What are the Qualifications?

- 1) Be a registered adult in Scouts BSA
- 2) Have completed the training requirements for your position.
- 3) Have a current Annual Health Medical Record parts A, B, & C

Hosted by:  
Northeast Illinois Council  
Boy Scouts of America
